BPFT-20090121ABW
Facility ID No. 158527

Dear Applicant:

This letter refers to the above-captioned translator application for K219LF, Idaho Springs, CO.

Our study reveals that the application is a major change application pursuant to Section 74.1233(a)(1) of the Commission's Rules. Specifically, the proposed 60 dBu service area fails to provide service to some portion of its 60 dBu licensed service area, (BLFT-20080903ABH). Therefore, the proposal is a major change. Because major change applications are not being accepted for filing, the application will be dismissed.

In light of the above, the application BPFT-20090121ABW filed by Mitchell A. Beranek is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
