Dear Applicant:

This letter refers to the above-captioned application for a minor modification of AM broadcast station KCAL to change transmitter site location.

A review of the application reveals that an Environmental Study showing compliance with requirements of set forth in Section 1.1306(a) of the Commission's rules is not provided. This information is needed in order to process your application.[1]

Accordingly, further action on the subject application will be withheld for a period of thirty (30) days from the date of this letter to provide you an opportunity to amend. Failure to respond within this time period will result in the dismissal of the application pursuant to Section 73.3568. Please note that any amendment must be submitted in the same manner as the original application.

Sincerely,

Son Nguyen, Supervisory Engineer
