Dear Ms. Repp:

This letter is in reference to the above-captioned minor change application filed by OBDI; our December 15, 2008, letter requesting an amendment to resolve a Mexican objection, and the January 14, 2009, request for an additional time to amend.

Because this case involves a Mexican objection and tower registration issues and may require a longer period of time to resolve than requested, we will grant OBDI an additional 90 days to amend to avoid the need to file multiple 30 day requests in the near future.

Accordingly, further action on the subject application will be withheld for a period of ninety (90) days from the date of this letter to provide an opportunity to file an electronic amendment. Failure to amend or respond within this time period will result in the dismissal of the application pursuant to 47 C.F.R. § 73.3568(a).

Sincerely,

for

Son Nguyen
