Dear Applicant:

The staff has under consideration the above-captioned application for a new AM broadcast Station at Olivehurst, California, and the March 23, 2010, amendment to provide antenna structure registration numbers for the two tower array.[1]

Further review of the application, as amended, indicates that SHPO/NHPA showing concerning Environmental Protection Act is not provided.

Accordingly, further action on the subject application will be withheld for a period of thirty (30) days from the date of this letter to provide you an opportunity to respond. Failure to respond within this time period will result in the dismissal of the application pursuant to Section 73.3568. Please note that any amendment must be submitted in the same manner as the original application.

Sincerely,

Son Nguyen, Supervisory Engineer
