FAC: 25083
BMML-20110811ACK

Dear Madam Secretary:

Transmitted herewith in triplicate on behalf of WMUZ Radio, Inc., licensee, is an amendment to the above-referenced application for broadcast license.

The construction permit (File No. BMPFT-20100928ADR) issued to an FM translator station at Hamtramck, Michigan (FACID 93456) bears a special operating condition requiring that following complete installation of the FM translator facilities, AM impedance measurements must be recorded and station WRDT(AM) Monroe, Michigan, must file an application to return to direct measurement of power determination.

Upon informal discussion with FCC staff, counsel was advised to submit the required application as an amendment to the above-referenced pending application File No. BMML-20110811ACK.

Any questions concerning this matter should be addressed to the undersigned.

Sincerely,

John S. Neely
