ORDER TO SHOW CAUSE

Unless you object, the license of station KAML, KENEDY-KARNES CITY, TX, will be modified pursuant to Section 316(a) of the Communications Act of 1934, as amended, to specify nighttime operation. This will permit you to operate at night with a nominal power of 70.0 watts.
(Instructions for calculating the actual operating power are enclosed.)

* * * *

IF YOU AGREE TO THIS MODIFICATION the station may begin nighttime operation immediately after sending the required notification to the Commission. The instructions for this are set forth on the enclosed instruction sheet.

IF YOU OBJECT TO THIS MODIFICATION you may, Pursuant to SECTION 1.87 of the Commission's Rules, request that a hearing be held on the proposed modification or file a written statement in opposition to the modification proposed in this Order to Show Cause. In such case, the Commission will conclude that Station KAML does not wish to have nighttime operation and the station license will not be so modified. Instead, the station will retain its current daytime only authorization.
----- THE DEADLINE FOR FILING SUCH AN OBJECTION IS OCTOBER 15, 1985. -----

PLEASE NOTE: In the event the Commission receives no written opposition to the proposed modification, the right to a hearing will be considered to have been waived, and the licensee of Station KAML will be deemed to have consented to the modification. In such case the station must begin nighttime operation within a year of the date of this Order to Show Cause and must comply with the rules applicable to such operation.
