Special Temporary Authorization

Dear Counsel:

This is in reference to: 1) the request filed March 26, 2007[1], on behalf of the Board of Regents of the University of Wisconsin System, for special temporary authority ("STA") to operate Station KUWS with reduced power; and 2) counsel's letter of August 1, 2007, which notifies the Commission that Station KUWS has been restored to licensed operation and that STA is no longer necessary.

Accordingly, the request for STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer

[1] Processing of the request was delayed due to its having been improperly filed as a request for legal, rather than engineering STA.
