In Re: K270AZ, Forrest City, AR
Facility ID # 148399
BMPFT-20060322ACQ
Petition for Reconsideration

Dear Applicant:

The staff has under consideration: (1) the above-captioned application for K270AZ, Forrest City, AR on Channel 216; (2) the Petition for Reconsideration of the grant of BMPFT-20060322ACQ filed by Mid-South Public Communications Foundation ("Mid-South") filed on April 7, 2006. For the reasons set forth herein, we deny the Petition for Reconsideration as moot.

Mid-South purports that the proposed translator will cause prohibited interference to WKNO-FM, Memphis, Tennessee. However, Mid-South fails to document any rule violation created by the application. Please note, should the translator commence operation and cause interference to WKNO-FM, the translator will be required to eliminate the interference or cease operation, pursuant to 47 C.F.R Section 74.1203.

Secondly, Mid-South claims that the translator application is in violation of Section 74.1233(a)(1). K270AZ proposed (BMPFT-20060322ACQ) and received a grant on March 3, 2006 to change its channel from Channel 270 to Channel 216. Section 73.1233(a)(1) states that a minor change is a change in frequency to a first, second, third adjacent or intermediate frequency channel provided that the proposed 1 mV/m contour continues to serve some portion of the previously authorized 1 mV/m contour. Therefore, the application was not in violation of Section 74.1233.

Accordingly, the April 7, 2006 Petition for Reconsideration filed by Mid-South IS HEREBY DENIED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
