Re: KWCH-DT, Hutchinson, Kansas
File No. BPCDT-20090826ABP
Facility ID No. 66413

Dear Applicant:

This is with respect to the above-referenced application for modification of license of station KWCH-DT, channel 12, Hutchinson, Kansas, licensed to Sunflower Broadcasting, Inc. In its application, Sunflower proposes to increase the station's power on channel 12 in an attempt to resolve reception problems which arose when KWCH-DT transitioned from its pre-transition DTV channel 19 to its post-transition DTV channel 12. On August 31, 2009, however, the Commission issued a Report and Order substituting channel 19 as KWCH-DT's post-transition DTV channel.¹ Accordingly, the above-referenced application IS HEREBY DISMISSED as moot.

Sincerely,

Clay C. Pendarvis
Associate Chief, Video Division
