Please note that the mention of channel 51 on the cover letter of the attached application was a typographical error, and should be disregarded. The application is for the use of channel 29 as noted everywhere else in the STA request.

Subject: Acorn - Miami Replacement STA

Greetings Mohammad,

Please find attached Acorn Broadcast LLC's request for Special Temporary Authority to operate a digital LPTV facility at the site of Miami Dolphins home games, and the NFL's Pro Bowl and Super Bowl, also to be played at the Miami Dolphins' stadium. As noted in previous correspondence, the original STA grant for these events (on channel 51) causes interference to in-stadium operations, forcing Acorn to procure a different channel. Once again we beg your indulgence and respectfully request expedited treatment of the instant request.

Very truly yours,

Michael L. Higgs Jr.
