Mr. Hashemzadeh:

It is with regret that we formally ask you to retract the WRLW-CD license to cover application 0000001523.

I will be sending you an email next in succession which I sent to Mark Leuth, explaining our unfortunate situation.

I am working with our engineers and with the expert help of Byron St. Clair, I am hopefully we can remedy this situation.

Respectfully yours,

Rebecca L. White
