Subject: BLED-20080111AAZ - KJWA - Trinidad, CO - Program Test Authority

This e-mail is in response to your license application BLED-20080111AAZ, which requests issuance of automatic program test authority for KJWA, Trinidad, CO.

The RF condition on construction permit BMPED-20070620ABW is satisfied by the use of the four bay, half-wave spaced, Shively antenna specified in the license application. Therefore, program test authority IS GRANTED to permit KJWA to commence operation with the facilities authorized in construction permit BMPED-20070620ABW.

This authorization is being sent by e-mail in lieu of a letter for the same purpose in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

If there are any questions, please contact me at 202-418-2706.
