In re: W281AF, Sardis, MS
Facility ID No. 152550
Silent Since August 5, 2009

W285DU, Fremont, MI
Facility ID No. 150625
Silent Since August 5, 2009
Notification of License Expiration
And Deletion of Call Letters

Dear Mr. Macintosh:

Our records indicate that the stations referenced above have been silent since August 5, 2009. As you are probably aware, Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g), provides that "if a broadcasting station fails to transmit broadcast signals for any consecutive 12-month period, then the station license granted for the operation of that broadcast station expires at the end of that period, notwithstanding any provision, term, or condition of the license to the contrary." *See Implementation of Section 403(l) of the Telecommunications Act of 1996*, 11 FCC Rcd 16499 (1996); *see also* 47 C.F.R. Section 73.1740(c). Consequently, we find that both station license has expired as a matter of law.

Accordingly, the Commission's public and internal databases will be modified to indicate that both stations broadcast licenses (BLFT-20070406AAI and BLFT-20070622AAG) have EXPIRED as a matter of law, at 12:01 a.m. on August 6, 2010, and we HEREBY DELETE both stations call signs.

Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' towers be maintained until the towers are dismantled. Accordingly, the owner(s) of the towers where the referenced stations' transmitting antennas are

located are required, pursuant to 47 U.S.C. Section 303(q), to maintain the towers in the manner prescribed by our rules and the terms of the cancelled licenses. *See* 47 C.F.R. Sections 17.1 *et seq*. and 73.1213. *See also, Streamlining the Commission's Antenna Structure Clearance Procedure*, WT Docket No. 95-5, 11 FCC Rcd 4272 (1995).

Sincerely,

for Peter H. Doyle, Chief
Audio Division
Media Bureau
