Silent since October 14, 2011

Request for Extension of Special Temporary Authority to Remain Silent

Dear Mr. Michael:

This letter concerns the request you filed on July 9, 2012, on behalf of Kona Coast Radio, LLC ("KCR"), for extension of Special Temporary Authority to permit FM Radio Station KIMI to remain silent.

Commission records reflect that KCR stated that Station KIMI(FM) went silent on October 14, 2011, pending a proposed change of its transmitter site. The previous STA was granted on January 12, 2012, and expired on July 12, 2012. KCR requests extension of its STA pending completion of construction at its new tower site. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

KCR's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KIMI(FM) to remain silent until October 14, 2012. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KIMI(FM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., October 15, 2012.**[1] *See* Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. *See* 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
