**Re: Request for Special Temporary Authority to Operate a Low Power  
Television Station on Channel 31 at Ann Arbor, Michigan**

Dear Sir or Madam:

Game Day Entertainment, LLC ("GDE") hereby respectfully requests Special Temporary Authority to operate a Low Power Television Station on Channel 31 at Ann Arbor, Michigan over the course of seven (7) weekends this fall, specifically September 3-5, September 17-19, September 24-26, October 8-10, October 15-17, November 5-7, and November 19-21, 2010. GDE certifies that it will operate the facility in accord with the technical parameters attached hereto as prepared by a certified radio engineer.

GDE proposes to broadcast NCAA Football related programming on a limited basis to the attendees of the University of Michigan's home football games taking place at Michigan Stadium, Ann Arbor, Michigan. Because GDE wishes to broadcast only to those people in the immediate surrounding area of the stadium, GDE requires a limited service area of a two mile radius from 42-15-57 N, 83-44-56 W.

No one will be harmed by grant of the instant Request. Due to GDE's proposed limited use of channel 31, it is not likely that GDE will cause any party significant harmful interference. In the improbable event that GDE does cause interference to another licensed party, GDE is aware of its obligation to discontinue service immediately upon discovery of such interference.

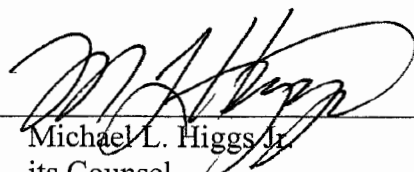

GDE certifies that it meets all of the qualifications to become a broadcast licensee. Game Day Entertainment, LLC is one hundred percent (100%) owned by Stephen M. Ross. Mr. Ross is a United States Citizen. There are no other parties, as defined by the Commission, to this Request.

GDE, and all parties to this Request, certify that they neither have, nor have had, any interest in, or connection with any broadcast application, or pending broadcast application, in any proceeding where character issues were left unresolved or were resolved adversely against the applicant or parties to the applicant. Neither GDE, nor any party to this Request, has ever had an adverse finding or final action taken relating to a felony, mass media-related antitrust or unfair competition; fraudulent statements to another governmental unit; or discrimination. GDE, and all parties to this Request, certify that they are United States Citizens and that the proposed station will offer broadcast program service. Finally, GDE, and all parties to this Request, certify that they are not subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1998, 21 U.S.C. Section 862.

If you have any questions or require any additional information, please telephone Mr. Michael L. Higgs Jr., Esq., Higgs Law Group, LLC, 1028 Brice Road, Rockville, Maryland 20852, phone (301) 762-8992, fax (301) 762-8993, e-mail [mhiggs@higgslawgroup.com](mailto:mhiggs@higgslawgroup.com).

## TOWAIR Determination Results

### \*\*\* NOTICE \*\*\*

TOWAIR's findings are not definitive or binding, and we cannot guarantee that the data in TOWAIR are fully current and accurate. In some instances, TOWAIR may yield results that differ from application of the criteria set out in 47 C.F.R. Section 17.7 and 14 C.F.R. Section 77.13. A positive finding by TOWAIR recommending notification should be given considerable weight. On the other hand, a finding by TOWAIR recommending either for or against notification is not conclusive. It is the responsibility of each ASR participant to exercise due diligence to determine if it must coordinate its structure with the FAA. TOWAIR is only one tool designed to assist ASR participants in exercising this due diligence, and further investigation may be necessary to determine if FAA coordination is appropriate.
