Re: Station WLVF(AM), Facility ID No. 36501  
Haines City, FL  
License Cancellation

Ladies and Gentlemen:

Station WLVF(AM), Haines City, Florida is presently off the air due to the loss of its transmitter site. The licensee has determined that there is no transmitter site available to the station and no realistic possibility of returning the station to the air before the forfeiture of its license. For this reason, the licensee is returning the WLVF(AM) license to the Federal Communications Commission for cancellation. See the attached letter and license.

Sincerely yours,

Joseph A. Belisle  
Counsel for Landmark Baptist Church, Inc.  
of Haines City Florida
