Gentlemen:

This refers to your attorney's letter dated January 5, 2011 requesting special temporary authority to remain silent. You indicate that due to the malfunctioning of the MPEG encoder for the HDTV transmitter, the station went off the air on 12/29/2010. You also state that the building housing the station's main studio has been sold and operation has been suspended for a search of an affordable studio location.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until November 10, 2011 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

Kevin R. Harding
