Re: DKVDO-LP, Clear Lake, Texas
Facility ID No. 21183

Dear Station:

By letter dated September 19, 2011, the staff cancelled the license for station KVDO-LP, Clear Lake, Texas and deleted the call sign because Commission records indicated that the station had been silent for more than 12 consecutive months. Far Eastern Telecasters, Inc. filed a timely petition for reconsideration, supported by the declaration under penalty of perjury of its President, stating that while the station was taken off the air on November 10, 2009, it resumed operation on March 15, 2010. Far Eastern further states that its failure to notify the Commission that the station went back on the air was due to an accidental oversight.

In view of the foregoing, the petition for reconsideration filed by Far Eastern Telecasters, Inc. IS HEREBY GRANTED and the license for station KVDO-LP IS REINSTATED.

Sincerely,

Hossein Hashemzadeh
Deputy Chief, Video Division
