Digital Networks-Southeast, LLC
Channel 36, St. Petersburg, FL
File number: BDFCDTL-20111212AHK
Facility Id No.: 67986

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's 30 mile rules. The proposed tower is 33.4 miles from your existing site. A waiver of this rule is requested stating that the proposed site would allow the best possible reception. This waiver request is denied. The waiver request did not demonstrate the lack of an available tower site that would comply with the 30 mile rule.

You are required to electronically amend your application to resolve these specified problems within (30) days of the date of this letter. If not so amended electronically, your application will be **CONSIDERED INCOMPLETE AND SUBSEQUENTLY DISMISSED.**

Sincerely

Hossein Hashemzadeh
Deputy Chief
