Subject: FanVision - Fontana, CA

Greetings Mohammad,

Thanks for the phone call reminder this morning. We respectfully request that you process to grant the request for STA submitted by FanVision for the use of channel 46 at Fontana, CA. As discussed earlier, the concerns expressed by Mr. Howard Fine (LA Broadcast Coordinator) related to the FanVision service **receiving** too much interference for its intended broadcast operations. FanVision's engineers, both internal and external, have reviewed the data and disagree with Mr. Fine's assessment, and believe that the proposed STA operations will peaceably coexist with all incumbent operations in the area.

If you have any questions or concerns regarding the foregoing, please let us know.

Very truly yours,

Michael L. Higgs Jr., Esq.
