Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Jazzo:

This letter concerns the request you filed on January 10, 2012, on behalf of Tune in Broadcasting, LLC ("TIB"), for extension of Special Temporary Authority to permit AM Radio Station WRUY to remain silent.

Commission records reflect that TIB stated that Station WRUY(AM) went silent on May 6, 2011, pending the relocation and construction of its main studio. The previous STA was granted on July 18, 2011, and expired on January 15, 2012. TIB requests extension of its STA while it continues to search for and construct a main studio. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

TIB's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WRUY(AM) to remain silent until May 6, 2012. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WRUY(AM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., May 7, 2012.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa A. Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
