Dear Applicant:

We are currently processing your above application. Please amend your application to resolve the discrepancies outlined below. If we do not receive your amendment within the 30 days from the date of this letter, we will dismiss your application.

Our initial review of your application indicates that you are proposing to relocate 73.4 miles from your licensed transmitter site which under the rules you are only allowed a relocation of not more than 30 miles. Also, there is no contour overlap between the protected contour of the licensed facilities and the proposed modification.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
Media Bureau
