Subject: FanVision STAs - Mexico Border

Greetings Mohammad,

As per our telephone call this morning, we submit the following statements regarding FanVision Entertainment, LLC's request for Special Temporary Authority to operate a digital LPTV service in Avondale, Arizona, and Fontana, California:

FanVision has operated digital LPTV stations, on the same channels requested currently, at NASCAR events in both Avondale and Fontana, for the past several years. To date, FanVision has not received a single complaint of harmful interference due to its LPTV broadcasts at either location. Due to the proximity of each site to the Mexican border, FanVision hereby agrees to immediately cease all broadcast operations in the event that any complaints of harmful interference are received from Mexican authorities.

Please let us know if we can be of any further assistance.

Very truly yours,

MICHAEL L. HIGGS JR.
ATTORNEY
