Re: TV Translator K20FO
Sierra Vista, Arizona
Fac ID: 25737

Dear Ms. Dortch:

On behalf of KVOA Communications, Inc., licensee of K20FO, Sierra Vista, Arizona, this letter serves as notification pursuant to Section 73.1740(a)(4) of the FCC Rules that Station K20FO was temporarily off-the-air due to a wind storm damage to the antenna. Temporary repairs have been made to the antenna and the station is operating at half-power.

Efforts are being made to contact antenna manufacturers for a replacement antenna.

The Federal Communications Commission will be periodically updated as to the status of the restoration of K20FO's service to full power.

If there are any questions, please do not hesitate to contact me.

Sincerely,

Donald G. Everist

Consulting Engineer for KVOA
