Dear Applicant:

This refers to your attorney's letter dated March 13, 2013 requesting special temporary authority to remain silent while repairs to the transmitter and the electrical system are completed. You indicate that due to a power surge that damaged the transmitter's logic system and the encoder on February 26, 2013, WVOZ-TV went silent.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until September 14, 2013 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
