Subject: WEPT-CA Facility 30429

Ms. Stewart – I am writing concerning an analog minor change proposal that was filed by Venture Technologies Group, LLC file BPTTA-20130614ADB. The licensee has a granted analog minor change application with an expiration date of 9/1/2015 file BPTTA-20121210ADL. The licensee cannot have two granted analog minor change applications at the same time.

Please advise which minor change application the licensee wishes to proceed with and if he wants to continue with the 2013 pending application please send me a request to cancel the 2012 granted application or if they decide to continue with the 2012 granted application, please send me a dismissal request for the 2013 pending minor change application.

Thanks, Ron Graser
