In re: Low Power Television Application of:
CASA of Corpus Christi, L.P.
Channel 45, Corpus Christi, TX
File number: BDFCDTA-20120803AAG
Facility Id No.: 48834

Dear Applicant:

This refers to your above-captioned application for a construction permit authorization in the low power television service.

Because your proposed transmitter site is in close proximity to the Mexican border, coordination with the Government of Mexico was mandatory as prescribed by the Mexican USA Television Agreement. As a result of this coordination, the Mexican Department of Communications has informed the Commission that it would object to the grant of your proposed facility, because it would cause interference to channel 45, Nuevo Laredo, Tamps.

You are required to electronically amend your application to resolve these specified problems within **(30)** days of the date of this letter. If not so amended electronically, your application will be **CONSIDERED INCOMPLETE AND SUBSEQUENTLY DISMISSED**.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
