Re: WNYH(AM), Huntington, New York; Change of Main Studio Location

Dear Ms. Dortch:

Pursuant to Section 73.1125(d)(1) of the Rules, this is to advise the FCC that the main studio of AM station WNYH, Huntington, New York, has been relocated to 218-10 Northern Blvd., Bayside, New York 11361.

The new location appears to be in compliance with Section 73.1125(a)(3) of the Rules as the "straight line" distance between the new location and the main Post Office for Huntington, New York, is 19 miles, as calculated at <http://tjpeiffer.com/crowflies.html>.

Questions concerning this matter, and copies of all correspondence, should be directed to me.

Sincerely

J. Geoffrey Bentley

Attorney for WNYH
