Deputy Chief, Video Division  
Media Bureau

Dear Hossein:

Our client, *NPG of Idaho, Inc.*, formally requests that the FCC re-classify the five (5) above-referenced Low Power TV facilities to "TV Translator" status. Each of the referenced facilities re-broadcasts the digital streams of commonly-owned KIFI-TV, Idaho Falls, ID. The renewal application for these five TX's (and KIFI-TV) will be timely filed by June 2, 2014.

Sincerely,

Robert Lewis Thompson
