Gentlemen:

This refers to your attorney's letter dated February 18, 2015 requesting special temporary authority to remain silent. You indicate that when Legacy Broadcasting LLC ("Legacy") acquired station KNHL on December 15, 2014, the station was silent and the equipment that Legacy acquired was insufficient for immediate resumption of broadcasting operations. You mentioned that Legacy is in the process of reconstructing and refurbishing the station to return to the air.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until August 23, 2015 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
