File No. BNPL-20131115ACC

Dear Applicant:

The staff has under consideration the above-captioned application for a new low power FM (LPFM) station.

The Rules provide that an LPFM station may be licensed to a nonprofit educational organization for the advancement of an educational program.¹ An applicant “must submit complete copies of the documents establishing their nonprofit status, such as corporate charters or articles of incorporation. Applicants that fail to provide these materials are subject to dismissal.”² The Rules require that applicants be eligible at the time of filing, and “at all times thereafter.”³ Although the applicant has provided a copy of its original incorporation documents, the records of the Washington Secretary of State indicate that the corporation is in “Inactive” status as of April 10, 2015.⁴ Accordingly, the applicant has not provided any evidence that it is currently recognized as a nonprofit entity by the State of Washington, or any other state, and thus, it has failed to meet the continuing eligibility requirement set forth in Section 73.853(b).⁵ Therefore, we will dismiss the Application.

Accordingly, application BNPL-20131115ACC is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283

Sincerely,

James D. Bradshaw
