Re: PMCM TV, LLC
WJLP, Middletown Township, NJ
Facility ID No. 86537

Dear Counsel:

By letter dated July 25, 2014, the Media Bureau waived Section 76.64(f)(4) of the Commission's rules to allow Cablevision Systems Corporation ("Cablevision"), Time Warner Cable Inc. ("TWC") and Comcast Cable Communications ("Comcast") (collectively, the "MVPDs") to defer implementing the June 6, 2014, must-carry request and channel 3 position election of PMCM TV, LLC ("PMCM") for television station WJLP, Middletown Township, New Jersey, until 90 days from the date of a final

decision by the Bureau on WJLP's virtual channel.¹ On August 25, 2014, PMCM filed an Application for Review of the *Deferral Letter Order*. Cablevision, TWC, Meredith Corporation ("Meredith"), and ION Media ("ION") oppose the Application for Review, which remains pending.

On June 5, 2015, the Bureau released a *Declaratory Ruling* granting Meredith's Request for Declaratory Ruling that WJLP be assigned virtual channel 33, denying PMCM's "Alternative PSIP Proposal" and associated waiver request that WJLP operate with the two-part virtual channel number 3.10, *et seq.*, and ordering that WJLP operate using virtual channel 33.² Concurrently, the Bureau released a *Cable Carriage Letter Order*,³ noting that release of the *Declaratory Ruling* removed the uncertainty regarding WJLP's virtual channel that had necessitated the *Deferral Letter Order*. In the *Cable Carriage Letter Order*, the Bureau ruled that PMCM's initial must-carry request and channel 3 position election would become effective September 3, 2015, and if the MVPDs did not implement that must-carry request and channel position election within that time, PMCM could invoke the cable carriage enforcement procedures set forth in 47 U.S.C. § 534(d) and 47 C.F.R. § 76.61. Alternatively, the *Cable Carriage Letter Order* permitted PMCM to pursue cable carriage for WJLP on cable channel 33, the virtual channel assigned in the *Declaratory Ruling*. On July 6, 2015, PMCM filed an Application for Review of the *Cable Carriage Letter Order*. ION, Cablevision, and TWC oppose that Application for Review, which remains pending.

The Bureau recently became aware that WJLP has notified its viewers, via its website, that "WJLP Me-TV is coming to Cablevision on channel 33, Comcast on Channel 8, and Time Warner Cable on 1239 in early September!"⁴ In view of that development, we direct PMCM and the MVPDs to inform the Bureau, in writing, of the following information:

1. Whether WJLP is now being carried by the MVPDs.⁵
2. If so, the channel number on which WJLP is being carried and the date on which carriage commenced.
3. Whether the carriage of WJLP, if any, is pursuant to a voluntary agreement between PMCM (or WJLP) and the relevant MVPD.
4. If the carriage of WJLP is *not* pursuant to such a voluntary agreement, a description of the circumstances governing the station's carriage arrangement with each MVPD.
5. The responding party's view on the effect of the current carriage arrangement(s) on PMCM's pending Applications for Review.

⁵ With respect to questions 1 through 4, PMCM's response should cover all three MVPDs. Each MVPD, however, need only address those questions on its own behalf.

We direct PMCM and the MVPDs to provide the above information within ten (10) business days of the date of this letter. Each responding party should serve its response on all other parties.

Sincerely,
