Re: Notification of Resumption of Operations  
WERS(FM), Boston, Massachusetts (Facility Id. 19482)

Dear Ms. Dortch:

On behalf of Emerson College, the licensee of broadcast station WERS(FM), Boston, Massachusetts, this is to notify the Commission that the station has resumed operations within licensed parameters.

On January 5, 2016, the licensee requested special temporary authority to operate the station at approximately 80 percent power while the licensee repaired a damaged transmitter module (BSTA-20160105AAZ). On February 4, 2016, the necessary repairs were completed and the station returned to full operations.

Should there be any questions regarding this matter, please contact undersigned counsel.

Very truly yours,

  
Howard M. Liberman
