License application BLED-20160512AAV
License application BLED-20160802ACB and
Request for Program Test Authority

Dear Licensee:

This is in reference to the license application filed May 12, 2016, file no. BLED-20160512AAV. The staff requested additional information from you before processing could be completed on that application.

Rather than filing the supplemental information as an amendment to the May 12 license application, you filed it as a new application under file number BLED-20160802ACB. We have reviewed the new submission and find it acceptable. Program test authority and license application BLED-20160802ACB ARE GRANTED.

In light of these actions, the May 12 license application is no longer necessary, and so license application BLED-20160512AAV IS DISMISSED.

Sincerely,

Dale Bickel
