Dale:

I wanted to drop you a note to let you know that KMYQ-FM in North English, IA resumed operations at full power on September 27, 2017. Attached, you will find a picture of the KMYQ transmitter taken on that same day indicating transmitter output of 2.84 kW. Counsel is in the process of preparing the Form 314 for filing in the immediate future.

Thank you again for your time and attention to this matter. Best regards.
