Re: Latinos Broadcsting Organization
WBVL-LP, Buena Ventura Lakes, FL
Facility ID No. 133444
File No. BPL-20071011ADN

Dear Applicant:

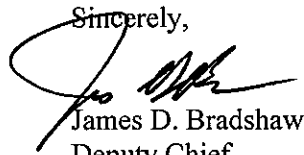

This letter refers to the above-captioned application for a minor change to a licensed facility construction permit.

An engineering study has revealed that the proposed transmitter site specified in the application fails to meet the minimum spacing requirements of Section 73.807 of the Commission's Rules¹ in relation to the following Stations:

<u>File Number</u>	<u>Call Sign</u>	<u>City/State</u>	<u>Spacing: Proposed/Required/Reduced</u>
BLH-20040325AHN	WPYO(FM)	Maitland, FL	29.7km/40km (2 nd -Adjacent)/1.6km
BPFT-19961031TA	NEW	Kissimmee, FL	13km/15km (1 st -Adjacent)/1.6km
BPFT-19970117TJ	NEW	Kissimmee, FL	13km/15km (1 st -Adjacent)/1.6km
BNPFT-20030317MKM	NEW	Kissimmee, FL	13km/15km (1 st -Adjacent)/1.6km

LPFM stations and modification applications must either meet the distance separation requirements set forth in Section 73.807(a)(1), or, if short-spaced, not lessen the spacing.

Accordingly, in light of the above, application BPL-20071011ADN is unacceptable for filing and IS HEREBY DISMISSED. This action is taken pursuant to Section 0.283 of the Commission's Rules.²

Sincerely,

James D. Bradshaw
Deputy Chief
