Re: KGA(AM), Spokane, Washington
Facility Identification No. 11234
Notice of Reduced Power Operations

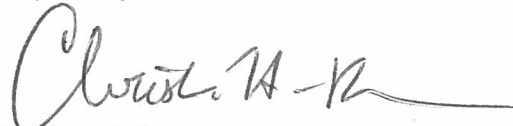

Dear Ms. Dortch:

On behalf of Mapleton License of Spokane, LLC, licensee of KGA(AM), Spokane, Washington, and pursuant to Section 73.1560(d) of the Commission's rules, we hereby notify the Commission that, due to the failure of its antenna system on December 6, 2017, KGA(AM) began operating its daytime facilities at reduced power. Specifically, until repairs can be completed, KGA(AM) is operating at 16kW daytime to ensure monitor points do not exceed licensed parameters.

A request for Special Temporary Authority will be filed if KGA(AM) cannot achieve its licensed, daytime power within thirty days.

Please notify the undersigned if there are any questions.

Respectfully submitted,

Christina H. Burrow
