In re: KRJJ-LP (Facility ID # 194894) BLL-20170508ABJ.

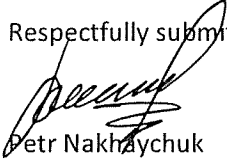

Dear Ms. Dortch:

On behalf of Jehovah Jireh International Mission (JJIM), we are tendering the surrender of the license of LPFM station KRJJ-LP effective immediately.

KRJJ-LP has been operating under a time share agreement with Slavic Community Center of NW, Inc, licensee of KBSF-LP. KBSF-LP will remain in operation and it is our desire that KBSF-LP immediately be given the ability to operate on Channel 264L1 with unlimited hours.

This license surrender is being done at JJIM's own free will and there is no compensation or consideration in connection with this license surrender.

Respectfully submitted:

Petr Nakhaychuk  
President  
Jehovah Jireh International Mission

John Tkach  
Director
