Dear Licensee:

The above-captioned application for assignment of license of Class A station WOOT-LP from Tiger Eye Broadcasting Corp. to Digital Networks-Chattanooga, LLC (File No. BAL TVA-2010527AFH) has been processed and is ready for grant.

However, this is to notify you that your application cannot be granted because of an outstanding debt owed by the licensee to the government. Because of this debt, a "Red Light" hold has been placed on your application, and by law the application may not be granted until the debt has been paid. You may contact the Financial Operations Group Help Desk to get the Red Light hold removed, either by telephone at 1 (877) 480-3201 or by email at: ARINQUIRIES@fcc.gov.

Failure to respond to Commission correspondence regarding a pending application may result in dismissal of the application. Thank you for your prompt attention to this matter.

Sincerely,
