Request for Special Temporary
Authority to Remain Silent

Dear Ms. Boisvert:

This letter concerns the request you filed on October 24, 2018, on behalf of Recording NW (RNW), for Special Temporary Authority (STA) to permit FM Low Power Radio Station KOUV-LP to remain silent.

RNW's request states that Station KOUV-LP went silent on October 24, 2018, for technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

RNW's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KOUV-LP to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KOUV-LP will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., October 25, 2019.**¹

RNW is required to notify the Commission when broadcast operations resume. If RNW does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
Media Bureau
