Federal Communications Commission  
Office of the Secretary

**Re: Station K252AW, Chicago, IL  
Facility No. 149046**

**Operational Status Inquiry**

Dear Ms. Dortch:

Centro Cristiano de Vida Eterna ("CCDVE"), licensee of the above-referenced station, by its attorney, hereby requests an extension of time until June 3, 2019 within which to respond to the letter issued by the FCC on April 18, 2019, concerning the operational status of the above-referenced station.

Due evidently to some error with the Post Office, it is not believed that either the client nor undersigned counsel received the Commission's inquiry letter prior to earlier this week, on April 29, 2019. Undersigned counsel will be out of town for ten days (attending relatives' high school and college graduations) beginning later this week and will not be returning until mid-month. Therefore, counsel will not be able to even begin addressing this matter until just shortly before the response to the Letter currently is due.

In order to provide sufficient time address this matter and to supply the FCC with the requested information, an extension of time to respond until June 3, 2019 respectfully is requested.

Accordingly, it is respectfully requested that this request be granted. If there are any questions, please contact this office.

Very truly yours,

Dan J. Alpert

*Counsel for Centro Cristiano de Vida Eterna*
