Section 214 Applications (47 C.F.R. § 63.18); Section 310(b) Requests

Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214, (a) to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The petitions for declaratory ruling listed below are for authority under Section 310(b) of the Communications Act, 47 U.S.C. § 310(b), to exceed the foreign ownership limits applicable to common carrier radio licensees. The requested rulings will be granted 14 days after the date of this public notice, effective the next day, unless the application is formally opposed or the Commission has informed the applicant in writing, within 14 days of the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. For this purpose, a formal opposition shall be sufficient only if it is received by the Commission and by the applicant within 14 days of the date of this public notice and its caption and text make it unmistakably clear that it is intended to be a formal opposition.

Transfer of Control

Current Licensee: Transtelco, Inc.

FROM: Transtelco, Inc.

TO: Transtelco Holding, Inc.

Application filed for consent to the transfer of control of international section 214 authorization, ITC-214-20070228-00088, held by Transtelco, Inc. (Transtelco), to Transtelco Holding, Inc. (THI).

On May 1, 2010, Transtelco undertook a corporate reorganization in which THI was formed as a holding company with a 100 percent direct ownership of Transtelco. Prior to that, Miguel Fernandez and Rodrigo Fernandez, both U.S. citizens who are brothers, had control of Transtelco. Axiscom, SA de CV (Axiscom), a Mexican company, held an approximately 26% ownership share of Transtelco. Upon closing of the May 1, 2010 transaction that established THI, the holdings of the Fernandez brothers in Transtelco were reduced with each brother holding 26.15% ownership in THI (and combined approximately 52.3% interest), and Axiscom holding a 40% interest in THI. According to applicant, the additional investment from Axiscom in 2010 did not affect the controlling interests of Miguel and Rodrigo Fernandez in Transtelco and THI.

On December 26, 2012, Miguel and Rodrigo Fernandez were divested of positive control of THI and Transtelco, leaving the company with no single controlling shareholder or control group. This occurred when the shareholders sold additional shares in THI amounting to a 15% ownership to Finestra, SA de CV, a Mexican holding company. Transtelco remains a wholly-owned subsidiary of THI, and the following individuals and entities have a ten percent or greater direct ownership in THI: Miguel Fernandez (20%), Rodrigo Fernandez (20%), Axiscom (39.1%), and Finestra (15%). Fernando de Jesus Canales Clariond, a Mexican citizen, holds a 99.99% ownership interest in Finestra. Aida Floridet del Carmen Destarac Saenz, a citizen of Mexico, holds a 29.25% ownership interest in Axiscom. No other entity or individual holds a ten percent or greater direct or indirect equity or voting interest in THI or Transtelco.

Applicants filed a request for Special Temporary Authority (STA) related to this transaction, ITC-STA-20150112-00010, which was granted on January 30, 2015.
