Request For Extension of Special Temporary Authority To Remain Silent

Dear Mr. Hafer:

This letter concern the request, filed on August 2, 2010, on behalf of Lighthouse Christian Broadcasting Corporation ("Lighthouse"), for Special Temporary Authority to permit FM Translator Station W218CA to remain silent.

Commission records reflect that W218CA went silent on October 25, 2009, due to technical problems. On October 26, 2009, Lighthouse requested a STA for the station to remain silent until the technical problems were resolved. The STA was granted February 2, 2010 and expired August 3, 2010. Lighthouse's current request states that due to interference with the reception of the primary signal, it has become necessary for the station to move to a new location on a different frequency. Accordingly, Lighthouse request that the STA be extended. Lighthouse's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

Lighthouse's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station W218CA to remain silent until October 25, 2010. **Notwithstanding the grant of this special temporary authority, the broadcast license for W218CA will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., October 26, 2010.**[1] *See* Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

[1] Notification of resumption of broadcast operations must either be electronically filed or mailed to:

Federal Communications Commission
Attn: 1800B3-DW, Room E-B450

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' towers shall be maintained. See 47 C.F.R. Sections 17.6 and 73.1740(a)(4).
