Request for Extension of Special Temporary Authority to Remain Silent

Dear Mr. Stevenson:

This letter concerns the request you filed on August 9, 2013, on behalf of Neuhoff Family Limited Partnership ("NFLP"), for extension of Special Temporary Authority to permit FM Translator Station W295AH to remain silent.

Commission records reflect that NFLP stated that Station W295AH went silent on January 1, 2013, for technical reasons. The previous STA was granted on March 8, 2013, and expired on September 4, 2013. NFLP requests extension of its STA for continued technical problems. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

NFLP's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W295AH to remain silent until January 1, 2014. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W295AH will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., January 2, 2014.**[1] *See* Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. *See* 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
