Petition for Declaratory Ruling

Grant of Authority

Date of Action: 07/24/2018

LB License Co, LLC (LB License or Petitioner) has filed a petition for declaratory ruling (Petition), pursuant to section 1.5000(a)(1) of the Commission's rules, 47 CFR § 1.5000(a)(1), asking the Commission to permit foreign ownership of LB License's controlling U.S. parent, LB Spectrum Holdings, LLC (LB Spectrum Holdings), to exceed the 25 percent benchmark in section 310(b)(4) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 310(b)(4). LB License filed its petition in connection with an application for consent to the assignment of sixteen 600 MHz Band licenses from AT&T to LB License. See ULS File No. 0008036917. LB License filed an Amended Petition for Declaratory Ruling on April 11, 2018.

LB License is wholly owned and controlled by LB Spectrum Holdings, both of which are Delaware limited liability companies. Petitioner states that a Board of Directors is vested with operational control over LB Spectrum Holdings and will consist initially of Monish Kundra and James B. Fleming, Jr., both of whom are U.S. citizens.

According to the Petition, three groups of investors hold, directly and/or indirectly, equity and/or voting interests of 10 percent or more in LB Spectrum Holdings: the Columbia Parties (an aggregate 19.52% equity and 100% voting interest); the Future Fund Parties (an aggregate 49.36% equity and 7.78% voting interest); and Greenspring Associates, Inc. Greenspring Associates, Inc. is a Delaware corporation that serves as the general partner of entities that hold directly an aggregate 11.21% of LB Spectrum Holdings' equity interests.

The Columbia Parties are organized in Delaware and commonly controlled by Columbia Capital, a U.S. venture capital firm founded in 1989 with headquarters in Alexandria, Virginia. The managing members of Columbia Capital are James B. Fleming, Jr. and John T. Siegel, Jr., both of whom are U.S. citizens.

Petitioner states that three of the Columbia Party entities are collectively vested with the power to appoint LB Spectrum Holdings' Board of Directors and hold equity and voting interests directly in LB Spectrum Holdings as follows: Columbia LB VI, LLC (0.19% equity and 33.33% voting interest); Columbia Capital Employee Investors VI, L.P. (0% equity and 33.33% voting interest); and Columbia Capital Equity Partners VI (QP), L.P. (1.11% equity and 33.33% voting interest). Two Columbia Party entities hold direct equity interests but no voting interests in LB Spectrum Holdings as follows: Columbia Spectrum Partners II-A, L.P. (17.67% equity interest) and Columbia LB, LLC (0.55% equity interest). James B. Fleming, Jr. and John T. Siegel, Jr., both U.S. citizens, ultimately control the above-named Columbia Parties jointly through a series of intervening entities organized in Delaware. Messrs. Fleming and Siegel each holds less than 0.02% equity interest in LB Spectrum Holdings.

The Petition states that the Future Fund Parties consist of Future Fund Investment Company No.5 Pty Ltd (FFIC5) (an Australian sovereign wealth fund) and its sole beneficial member, Future Fund Board of Guardians (FFBG) (a statutory body corporate established by the Future Fund Act of 2006 (Commonwealth of Australia)). FFIC5 holds directly 48.49% of LB Spectrum Holdings' equity interests and 0.00% of its voting interests. Petitioner states that FFIC5 also holds indirectly a 0.61% equity and 0.00% voting interest in LB Spectrum Holdings for a total equity interest of 49.10% and 0.00% voting interest. FFBG, in turn, indirectly holds FFIC5's 49.10% equity interest in LB Spectrum Holdings, and FFBG holds an additional 0.26% equity interest and 7.78% voting interest through an investment in Columbia Capital Equity Partners VI (QP), L.P. FFBG thus holds, directly and indirectly, an aggregate 49.36% equity interest and 7.78% voting interest in LB Spectrum Holdings. According to the Petition, the direct and indirect interests held by FFIC5 and FFBG in LB Spectrum Holdings are insulated within the meaning of section 1.5003 of the Commission's rules. Because these interests are insulated, for purposes of our foreign ownership calculations we deem FFIC5 and FFBG to hold direct and indirect voting interests in LB Spectrum Holdings that are equal to their respective direct and indirect equity interests.

According to the Petition, FFBG, supported by the Future Fund Management Agency, has responsibility for investing and managing Future Fund assets. Petitioner states that, while FFBG holds Future Fund assets for and on behalf of the Commonwealth of Australia, FFBG is responsible for specific investment decisions and any control exercised in respect of those investments within the framework of the Act is exercised independently of the Government of Australia. FFBG holds all of the shares of FFIC5 through its custodian The Northern Trust Company (TNTC, organized in the State of Illinois). Likewise, FFIC5 has appointed TNTC to hold legal title to its interests in LB Spectrum Holdings. Petitioner states that, in relation to the investment in LB Spectrum Holdings, TNTC has no power or authority in respect of the investment except to the extent it is specifically directed to take action by FFIC5.

Petitioner states that an additional 8.08% of LB Spectrum Holdings' equity interests is held directly by Railway Pension Investments Ltd (Railpen), a trust organized in the United Kingdom. Railpen also holds a 0.06% indirect equity interest and 1.95% voting interest in LB Spectrum Holdings through Columbia Capital Equity Partners VI (QP), L.P., giving Railpen an aggregate, direct and indirect 8.14% equity interest and 1.95% voting interest in LB Spectrum Holdings. According to the Petition, the direct and indirect interests held by Railpen are insulated within the meaning of section 1.5003 of the Commission's rules. Because these interests are insulated, we deem Railpen to hold direct and indirect voting interests in LB Spectrum Holdings that are equal to its direct and indirect equity interests.

Petitioner estimates that other foreign investors hold directly an additional 1.84% equity interest in LB Spectrum Holdings, bringing its total foreign direct equity investment to 58.41%. Aside from the 58.41% direct foreign ownership, Petitioner estimates that there is an additional 10.24% aggregate amount of foreign investment held indirectly in LB Spectrum Holdings, bringing the total foreign equity interests to 68.65%.

Pursuant to the rules and policies established by the Commission's Foreign Ownership Second Report and Order in IB Docket No. 11-133, FCC 13-50, 28 FCC Rcd 5741 (2013), as amended in GN Docket No. 15-236, FCC 16-128, 31 FCC Rcd 11272 (2016), we find that the public interest would not be served by prohibiting foreign ownership of LB Spectrum in excess of the 25 percent benchmark in section 310(b)(4) of the Act. This ruling authorizes aggregate foreign ownership of LB License's controlling U.S.-organized parent, LB Spectrum Holdings, to exceed, directly and/or indirectly, 25 percent of its equity and/or voting interests, subject to the terms and conditions set forth in section 1.5004 of the Commission's rules, 47 CFR § 1.5004, including the requirement to obtain Commission approval before foreign ownership of LB Spectrum Holdings exceeds the terms and conditions of this ruling. Specifically, this ruling approves the following direct and indirect foreign equity and voting interests in LB Spectrum Holdings: (1) the 49.10% equity and voting interest held directly and indirectly by FFIC5; (2) the 49.36% equity and voting interest held indirectly by FFBG; and (3) the 8.14% equity and voting interest held directly and indirectly by Railpen.

LB License has an affirmative duty to monitor its foreign equity and voting interests, calculate these interests consistent with the principles enunciated by the Commission, including the standards and criteria set forth in sections 1.5002 through 1.5003 of the Commission's rules, 47 CFR §§ 1.5002-1.5003, and otherwise ensure continuing compliance with the provisions of section 310(b) of the Act. See 47 CFR § 1.5004, Note to paragraph (a).

We grant the Petition to Adopt Conditions to Authorizations and Licenses filed by the Department of Justice (DOJ) on July 23, 2018 (DOJ Petition), to condition our consent to the Petition on compliance by LB License with the commitments and undertakings set forth in the July 20, 2018, Letter of Agreement (LOA) from Monish Kundra, Member, Board of Directors, LB License to the Assistant Attorney General for National Security, DOJ. A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of this ruling and the underlying licenses and thus grounds for declaring them terminated without further action on the part of the Commission. Failure to meet a condition of this ruling may also result in monetary sanctions or other enforcement action by the Commission. A copy of the DOJ Petition and the LOA, which is attached to the DOJ Petition, are publicly available and may be viewed on the FCC website through the International Bureau Filing System (IBFS) by searching for ISP-PDR-20171228-00004 and accessing "Other filings related to this application" from the Document Viewing area.

Grant of this declaratory ruling is without prejudice to the Commission's action on any other related pending application(s).
