Class of Station: Fixed Earth Stations

Nature of Service: Fixed Satellite Service

This application to modify TVC Incorporated's current earth station registration that is currently authorized to operate with the Permitted List satellites is returned without action for the following reason. The modification requested operations with the SES-11 satellite. Our recent listing of satellites that are considered to be on the Permitted List is at <https://www.fcc.gov/approved-space-station-list>. It includes SES-11 satellite, therefore we have returned this application without action.
