Re: FCC File No. SAT-MOD-20101118-00239

Dear Ms. Dortch:

This is to inform you that, on April 27, 2011, Sanjiv Ahuja, the Chairman and CEO of LightSquared Subsidiary LLC ("LightSquared"), Jeffrey J. Carlisle, Executive Vice President, Regulatory Affairs and Public Policy of LightSquared, Amy R. Mehlman, of Mehlman Capitol Strategies, Inc., and the undersigned met with Commissioner Robert M. McDowell regarding the above-referenced proceeding.

The LightSquared participants summarized the progress that the company has made in implementing its integrated satellite and terrestrial wireless broadband network, reviewed its record of cooperation with the GPS industry, which continues to the present, and supported the Commission's position that all parties must use spectrum in an efficient and responsible manner. Mr. Ahuja stated that the company's goal was to work for the co-existence of a new, competitive wireless network and a robust GPS system.

Please do not hesitate to contact me with any questions.

Respectfully submitted,

Henry Goldberg
