Agreement for Assignment of Licenses

The Assignor is required to answer Yes to Question 6A in order to electronically submit this application. At present, there are no written agreements evidencing the proposed transaction, which is a purely internal reorganization of assets. As such, the proposed *pro forma* assignment of licenses from Media General Broadcasting of South Carolina Holdings, Inc. to Media General Communications, Inc. will be accomplished through the execution of assignment and assumption materials at the consummation of the proposed assignment. These materials will be submitted to the Commission upon request.
