

Purpose of Amendment

The purpose of this amendment is to:

1. report the filing of FCC 315 applications on January 28, 2010 seeking Commission consent to transfer control (“TOC Applications”) of General Electric Company’s (“GE”) indirect broadcast licensee subsidiaries, including NBC Telemundo License Co.,¹ the licensee of KNTV, San Jose, California (FIN 35280), to Comcast Corporation (“Comcast”) (Lead TOC Application File No. BTCCDT-20100128AAG); and

2. advise that, Comcast, the proposed transferee in the TOC Applications, has expressly assented to stand in the stead of the transferor, GE, in any pending renewal application proceedings consistent with the Commission policy (*See* Exhibit 1 (Public Interest Statement) and Exhibit 14 (Statement Regarding Pending Renewal Applications) to the TOC Applications).

¹ In connection with the lead TOC Application, a separate application on FCC Form 316 has been filed for the pro forma assignment of the licenses held by NBC Telemundo License Co. to NBC Telemundo License, LLC (Lead File No. BALCDT-20100128ABS).
