Any implied warranty of merchantability, suitability or fitness for a particular purpose or quality or as to condition or workmanship or as to enforceability or validity of any contract is hereby disclaimed by Riverfront. Riverfront expressly disclaims all warranties other than those contained in this Agreement. This disclaimer includes, but is not limited to, all implied warranties of merchantability and fitness for a particular purpose.

4.2 Announcements. Prior to Closing, neither party shall, without the prior written consent of the other party, issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement, except as may be required by applicable law. The parties acknowledge, however, that this Agreement and the terms of this Agreement will be filed with the FCC Application and thereby become public.

Section Five Representations and Warranties of Riverfront

Riverfront represents and warrants to Buyer as follows:

5.1. Organization and Standing. Riverfront is duly organized, validly existing and in good standing under South Dakota law and authorized to transact business in Iowa. Riverfront has full power and authority to operate the Stations and to perform all obligations required to be performed by it under this Agreement and to consummate the transactions contemplated by this Agreement.

5.2. Authorization and Binding Obligations. The execution, delivery and performance by Riverfront of this Agreement has been duly and validly authorized by all necessary corporate actions and constitute valid and binding agreements of Riverfront enforceable in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, moratorium or other laws relating to or affecting creditors' rights generally and the exercise of judicial discretion in accordance with general equitable principles.

5.3. No Contravention; Consents.

- a. The execution, delivery and performance of this Agreement and the other documents to be executed in connection with this Agreement and the consummation of the transactions contemplated by this Agreement do not: (i) conflict with or violate any provisions of the operating agreement of Riverfront; (ii) assuming receipt of the consents and waivers referred to in (b) below, result in the breach of, constitute a default under, conflict with or result in the termination or alteration of, the provisions of any agreement or other instrument to which Riverfront is a party or by which the property of Riverfront is bound or affected; or (iii) violate or conflict with any material laws, regulations, orders, writs, injunctions, decrees or judgments applicable to Riverfront with respect to the Stations.

- b. Except as to consent required from the FCC to transfer the license, no consent, waiver, authorization or approval from, or filing of any notice or report with, any Governmental Authority or other Person is necessary in connection with the execution, delivery or performance by Riverfront of this Agreement or any of the documents or transactions contemplated hereby.

5.4. Litigation; Violations. Except for administrative rulemaking or other proceedings of general applicability to the broadcast industry: (a) there is no proceeding of any nature pending or, to the best of Riverfront's knowledge, threatened against Riverfront that could impact its ability to perform under this Agreement; and (b) no writ, decree, or similar instrument has been rendered or is pending against Riverfront or its subsidiaries which would materially and adversely affect the Riverfront's ability to perform under this Agreement.

5.5. Taxes. Riverfront has filed, and will file prior to closing, all returns, declarations of estimated taxes, reports, statements and information statements ("Tax Returns") required to be filed with any taxing authority. Riverfront has paid and will pay all Taxes due and payable prior to Closing, excepting taxes, assessments, and other levies as will not be due until on or after the Closing Date or that are to be prorated between Riverfront and Buyer pursuant to the Programming Agreement. No federal, state, local or foreign audits or other administrative or court proceedings are presently pending with regard to any Tax Returns or Taxes of Riverfront relating to Riverfront's operation of the Stations, and Riverfront has not received written notice from any governmental authority of the expected commencement of such proceedings. Riverfront is not a "foreign person" within the meaning of Section 1445(b)(2) of the Internal Revenue Code.

5.6. Compliance with Decrees and Laws. There is no outstanding or, to the knowledge of Riverfront, threatened, any order, writ, injunction or decree of any court, governmental agency or arbitration tribunal against or involving Riverfront that would impact Riverfront's ability to perform all of its obligations under this Agreement.

5.7. FCC License. Riverfront is the holder of the FCC Licenses as listed in Schedule 1.1(a) with regular unconditional renewals of the licenses having been granted for the full license term. The FCC Licenses constitute all of the licenses and authorizations required for and/or used in the operation of the Stations as now operated, and the FCC Licenses are in full force and effect and unimpaired by any act or omission of Riverfront, or its officers, directors, employees or agents. There is not now pending, or to the knowledge of Riverfront threatened, any action by or before the Commission to revoke, cancel, rescind, modify or refuse to renew in the ordinary course any of the FCC Licenses, or any investigation, Order to Show Cause, Notice of Violation, Notice of Apparent Liability or of Forfeiture, or material complaint against Seller. All material reports, forms, and statements required to be filed by Riverfront with the FCC with respect to the Stations have been filed and are complete and accurate in all material respects. The Stations are operating in accordance with their respective FCC Licenses, and in material compliance with the Communications Act of 1934, as amended, and the FCC's Rules.

Section Six

Representations and Warranties of Buyer

Buyer represents, warrants and covenants to Riverfront that:

6.1. Organization and Standing. Buyer is duly organized, validly existing and in good standing under the laws of Iowa. Buyer has full power and authority to own its properties and to transact the business in which it is currently engaged and to perform the obligations required to be performed by it under this Agreement and to consummate the transactions contemplated hereby.

6.2. Authorization and Binding Obligations. The execution, delivery and performance of this Agreement and the instruments contemplated by this Agreement have been duly and validly authorized by Buyer and constitute valid and binding agreements of Buyer enforceable in accordance with their terms except as such enforceability may be limited by bankruptcy, insolvency, moratorium or other laws relating to or affecting creditors' rights generally and the exercise of judicial discretion in accordance with general equitable principles.

6.3. No Contravention. The execution, delivery and performance of this Agreement and the other documents to be executed in connection with this Agreement, the consummation of the transactions contemplated by this Agreement and the compliance with the provisions of this Agreement by Buyer do not and will not, after the giving of notice, or the lapse of time, or otherwise: (i) conflict with or violate any provisions of the organization documents of Buyer; (ii) result in the breach of, conflict with, or constitute a default under, the provisions of any agreement or other instrument to which Buyer is a party or by which the property of Buyer is bound or affected; or (iii) violate or conflict with any laws, regulations, orders, writs, decrees, injunctions or judgments applicable to Buyer, including FCC regulations, or require any partner consent or consent under applicable law.

6.4. Litigation. Except for administrative rulemaking or other proceedings of general applicability to the broadcast industry, there is no proceeding or investigation of any nature pending or, to the best of Buyer's knowledge, threatened against or affecting Buyer that would adversely affect Riverfront, the Stations or Buyer's ability to consummate the transactions contemplated in this Agreement.

6.5. Financial Qualification and Ownership. Buyer is financially qualified to perform all obligations under this Agreement. Buyer has, or will have as of the Closing, available funds on hand and firm commitment letters from financial lenders for amounts sufficient to assure the availability and payment of the Purchase Price and any and all other amounts which Buyer will be obligated to pay to Riverfront under this Agreement or the Programming Agreement on or before the Closing. Buyer's obligations to consummate the transactions under this Agreement are not conditioned on obtaining financing. Buyer and its owners are legally, financially, and otherwise qualified to hold the FCC Licenses under the Communications Act and the rules, regulations, and policies of the FCC.

Section Seven

Survival; Indemnification

7.1. Survival. The several representations, warranties and covenants of the Parties contained in this Agreement shall be deemed to have been made on the date of this Agreement and on the Closing Date, shall survive the Closing Date and shall remain operative and in full force and effect for a period of twelve (12) months after the Closing, except that each Party's

any claim of the type described in Sections 7.2 and 7.3 shall be a claim for indemnification pursuant to the terms and conditions of this Section.

Section Eight Default; Termination

8.1. Default and Cure. If prior to Closing either Party believes the other party to be in material breach or default of its representations, warranties, covenants or obligations under this Agreement, or in material default under the Programming Agreement, the non-defaulting party may provide the defaulting party with notice specifying in reasonable detail the nature of such breach or default. If such breach or default cannot be cured, or has not been cured, by the earlier of (i) the Closing Date or (ii) within fifteen (15) calendar days after delivery of such notice, then the non-defaulting party giving such notice may (x) terminate this Agreement subject to and in accordance with Section 8.2 below or (y) extend the Closing Date by ten (10) business days to permit such cure (but no such extension shall constitute a waiver of the non-defaulting party's right to terminate as a result of such default). Such rights are contingent upon the giving of such notice. Notwithstanding the foregoing, no such cure period shall apply or be required in the event the breach or default is Buyer's failure to timely pay the Purchase Price as set out in Section 2.2 of this Agreement.

8.2. Termination. This Agreement may be terminated at any time prior to Closing as follows:

- a. Mutual Consent. This Agreement may be terminated by mutual written consent of the parties.

- d. FCC Denial. By written notice from Buyer to Seller, or from Seller to Buyer, if the FCC denies the FCC Application.

8.3. Effect of Termination. In the event of termination of this Agreement pursuant to Section 8.2, this Agreement shall become void and the parties shall be released and discharged from any further obligation hereunder except that (i) the agreements, rights and obligations contained in this Article Eight (Termination) and Articles Nine (Confidentiality) and Ten (Miscellaneous) shall survive the termination hereof, and (ii) a party in breach under this Agreement as of the time of such termination shall not be released from liability for such breach.

Upon termination of this Agreement, Programming Agreement shall also terminate. In the event of a termination due to Seller's default or the failure to obtain FCC Consent, the Earnest Money Deposit shall be returned to Buyer.

Section Nine Confidentiality

9.1 Maintenance of Confidentiality. The parties agree that they shall at all times prior to and for one (1) year after the Closing maintain confidential and not use for any purpose other than the operation of the Stations, any information relating to this transaction, the Stations, and the other confidential and proprietary information of the other party (other than information in the public domain not as the result of a breach of this Agreement), except: (i) for disclosure to authorized representatives of a party, provided that any such person shall agree to maintain confidential any such information; (ii) as reasonably necessary to the performance of this Agreement; (iii) as authorized in writing by the other party; or (iv) to the extent that disclosure is required by law or the order of any governmental authority under color of law; provided, that, prior to disclosing any information pursuant to this clause (iv), the party from whom disclosure is requested shall have given reasonable prior written notice thereof to the other party and provided such party with the opportunity to contest such disclosure at such party's expense. Neither party shall issue any press releases or communications to the press or general public relating to the transactions contemplated by this Agreement or the terms or existence of this Agreement, without the prior written approval of the other party. The parties agree that to the extent the provisions of this Section Nine conflict with the Confidentiality Agreement, the provisions of the Confidentiality Agreement shall control.
